## IN MEMORY OF MARVIN MARTIN

**M**arvin Martin, an employee of ARAMARK Canada who worked at Runnymede Healthcare Centre (RHC) for nine years, passed away suddenly this past July at the age of 31, leaving behind a loving wife, Emily, and their five-year-old son, Rasheed. As colleagues and friends of Marvin's, the staff of RHC wanted to offer their support to his family during this difficult time. In addition to setting up an education fund for Rasheed, on Monday, February 28th

they asked the family to visit the centre so that they could present them with a few more tokens of support. These included a Microsoft Xbox game console with a copy of NBA 2K11, \$500 in Walmart gift cards and two tickets to a Toronto Raptors game. Marvin was a huge fan of basketball and passed along his love of the game to Rasheed, who now sleeps with his dad's ball every night.

Rasheed is all smiles as he's presented with an Xbox
