HALLOWEEN AT RUNNYMEDE HEALTHCARE CENTRE

Runnymede Healthcare Centre invited residents, staff, family and friends to their first-ever Halloween party at the end of October. Guests were treated to a lively performance by The Sparklets, who were able to coax many off of their chairs for a dance or two. As with any good party, munchies and drinks factored in nicely, as did plenty of laughter and conversation. And many came dressed in their favourite Halloween costume for the occasion, making it a very bright and lively affair.
